PROFESSIONAL EXPERIENCE

BMO Capital Markets | Collateral Management Group

Toronto, ON

Analyst – OTC Derivatives

May 2024 - Aug 2024

- Performed daily functions to manage margining on unilateral and bilateral trades with call volumes reaching ~\$4B.
- Communicated with publicly traded companies and prepared risk reports for the bank's upper management.
- Pitched a Proactive Portfolio Reconciliation System (functioning VBA/full wireframe/walkthrough) to Managing Director, Director, and Manager, focusing on report automation, data efficiency, and operational risk reduction.
- Expanded my network by engaging with key banking partners, including Capital Markets MDs and VPs.

Scotiabank | Commercial Banking

Ottawa, ON

Commercial Banking Analyst

Jan 2024 - Apr 2024

- Managed a portfolio of companies with annual revenues of up to \$1.1B, servicing 20+ credit requests, analyzing 50+ financial statements, conducting 10+ annual reviews, and successfully completing 2 full client onboardings.
- Led the Benchmark Rate Reform (CORRA transition) on a book of ~\$200MM+ of loans and swaps.
- Automated processes using Excel VBA and complex data mapping.
- Received recognition from Directors & Senior VP for "passion and work ethic".

University of Ottawa | Telfer School of Management

Ottawa, ON

Teaching Assistant – Financial Management (ADM 2350)

Sep 2023 - Dec 2023

- Provided 5 final exam review sessions, covering complex finance concepts and practice problems (200 students each).
- Held 12 office hours, helping students understand fundamental finance concepts (8-15 students each).
- Tutored students one-on-one to solve/understand technical questions.
- Gave back to younger students by teaching/sharing knowledge acquired throughout school and work experiences.
